RE: ARTHUR MURATOVIC
DKT NO: 06-00776-001
REQUEST FOR MODIFICATION OF SUPERVISED RELEASE CONDITIONS

Dear Judge Chesler:

The purpose of this correspondence is to respectfully request that a special condition be added to the terms of supervision for the above-referenced offender. The offender has agreed to submit to an assessment for mental health treatment, follow any treatment recommendations, and waive his right to a hearing. The following information is submitted as background information.

The above-referenced offender pleaded guilty to a single-count Information filed in the District of New Jersey, charging him with Conspiracy to Possess with Intent to Distribute Oxycodone. He was sentenced by this Court on January 8, 2006, to a term of imprisonment of 65 months, followed by a three year term of supervised release. At sentencing, the Court ordered that the offender comply with the standard conditions that have been adopted by the Court, as well as the following special conditions: Drug/alcohol testing and treatment as directed by the Probation Office, financial disclosure, cooperation with ICE; no new debt, and DNA collection. Additionally, the Court imposed a \$100.00 special assessment.

On March 15, 2012, the offender was released to the community and supervision was initiated by our office. After establishing rapport with the offender, he discussed with the undersigned that he has a history of bipolar disorder, and he was receiving treatment and medication to effectively deal with such while under Pretrial Services supervision. He respectfully requested to return to treatment to address ongoing problems he faces due to this disorder (anxiety, depression) and he has waived his right to a court hearing to add a special condition for mental health treatment to his sentence. We have enclosed Probation Form 12B, "Request to Modify the Conditions of Supervision with Consent of the Offender, and the Probation Form 49, "Waiver of Hearing to Modify Conditions of Supervised Release." We would respectfully request that the Court modify the offender's sentence to add a Special Condition for Mental Health Treatment.

We remain available should Your Honor wish to discuss this matter further. The undersigned officer can be reached at (856) 655-1030.

Respectfully submitted,

WILFREDO TORRES, Chief
U.S. Probation Officer
